Psalm 23

The Lord is my shepherd; I shall not want,
He makes me to lie down in green pastures;
He leads me beside the still waters. He restores my soul;
He leads me in paths of righteousness
For His name's sake.

Even though I walk through the valley of the shadow of
death, I will fear no evil; for You are with me;
Your rod and Your staff, they comfort me.
You prepare a table before me in the presence of my
enemies;
You anoint my head with oil; my cup runs over.

Surely goodness and mercy shall follow me All the days
of my life;
And I will dwell in the house of the Lord forever.

The Lord's Prayer

Our Father who art in heaven,
Hallowed be Thy Name,
Thy Kingdom come
Thy will be done,
On earth as it is in heaven.
Give us this day our daily bread;
Forgive us our debts and sins,
As we forgive those who sin
against us.
Lead us not into temptation,
But deliver us from evil.
For Thine is the Kingdom,
the power and the glory
forever and ever.
Amen

Message From Principal's Desk

Train up a child in the way he should go and when he is old, he will not depart from it. (Proverbs 22:6)

We at St. Mary's try to inculcate good values other than imparting knowledge. We want our learners to be good human beings, who are gentle, kind, compassionate, diligent, and tolerant towards others. Our attitude and behavior towards others determine the kind of person we are.

Remember we are doing things that were taught to us and our children will do things that will be taught to them. We are the role models for them. Children watch and follow us. We ourselves will have to do things in the right manner before asking them to do them. Let our goal be to help and teach them to walk on the right path.

In this insensitive and uncompromising world, where everyone is in the race to out do others, let our learners be the ray of hope for a better world. Let us not wait for tomorrow to make things right, for tomorrow never comes. Let us begin from today itself.

We seek the cooperation of all the parents as we embark on this challenging journey of the new academic year 2023-24.

Principal

Message From Vice Principal's Desk

Noble Laureate W. B. Yeats exhorts,
“Education is not the filling up of a pail, but the lighting of a fire.”

It's our objective that the students of St. Mary's, are molded into global citizens, not with a WELL-FILLED mind, but rather with a WELL-FORMED mind.

Returning to school after exams to start a new academic year is a daunting task for each student. It can take a few weeks for a child to acclimatize to a new grade, peer group, and teacher. We at St. Mary's are with you through this journey, welcoming you to our amazing learning community.

We have taken up the challenge of nurturing responsible, caring students and promoting high-level learning. We recognize that each child has an individuality and special skills. We also realize that all students don't have the same talents and that each student achieves success differently. We encourage each child to develop in their special field of interest.

The aim of our school is to help our students to enhance multiple intelligences to grow into respectable human beings who are future ready to face the challenges of the world. As educators we are committed to incorporate diverse learning strategies that help the all-round development of each child. We strive to impart 21st Century skills deemed extremely important for survival at both the individual and global level.

With the grace of the Almighty and the efforts of our students, teachers, staff and parents, let us make this school year one of growth and achievement for all.

Fr. John Mathew
Vice Principal

CURRICULUM

St.Mary's Marydale-Pre Primary School Gallery

St.Mary's Marydale Pre-Primary School (Nursery, Jr.K.G. and Sr.K.G.)

Our preschool provides a nurturing and stimulating environment for young learners to embark on their educational journey. Our Young Pre classroom is for ages 2+.

Here's an overview of our preschool program:

- We focus on the holistic development of children during their formative years. Our program is designed to foster their social, emotional, cognitive, and physical growth.
- Our preschool teachers are experienced professionals who have a deep understanding of early childhood education.
- We follow a comprehensive and developmentally appropriate curriculum that lays the foundation for future learning.
- Our classrooms are equipped with age-appropriate toys, manipulatives, and learning materials that encourage active exploration and problem-solving. Play-based activities promote the development of critical thinking, communication, and social skills.
- We prioritize the social and emotional well-being of our preschoolers. Our teachers create a supportive environment that fosters positive relationships, empathy, and self-regulation.
- We prioritize the health and well-being of our preschoolers. We maintain proper hygiene practices, including regular handwashing and sanitization.
- Our preschool program aims to provide a solid foundation for future learning by fostering a love for learning, social skills, and a positive attitude towards education. We create a nurturing environment where children feel valued, respected, and supported in their early learning experiences.
