Message From Principal's Desk

We at St. Mary's try to inculcate good values other than imparting knowledge.

We want our learners to be good human beings, who are gentle, kind, compassionate, diligent, and tolerant towards others. Our attitude and behavior towards others determine the kind of person we are.

Remember we are doing things that were taught to us and our children will do things that will be taught to them. We are the role models for them. Children watch and follow us. We ourselves will have to do things in the right manner before asking them to do them. Let our goal be to help and teach them to walk on the right path.

In this insensitive and uncompromising world, where everyone is in the race to outdo others, let our learners be the ray of hope for a better world. Let us not wait for tomorrow to make things right, for tomorrow never comes. Let us begin from today itself.

We seek the cooperation of all the parents as we embark on this challenging journey of the new academic year 2023-24.

Principal

“*Train up a child in the way he should go and when he is old, he will not depart from it.*”
(Proverbs 22:6)

Message From Vice Principal's Desk

At St. Mary's, my vision is to move beyond the 'well-filled' mind and instead nurture a 'well-formed' one. As we embark on this new academic year, I understand that transitions can be daunting. Please know that you are not just entering a grade, but joining a family. We are committed to celebrating your child's unique talents—recognizing that success looks different for everyone. Together, with faith and 21st-century innovation, let's empower our students to become future-ready global citizens.”

My goal for every student at St. Mary's is to empower them to be fearless in making life choices for their growth and development of the nation. We don't just teach; we mould character. Whether your child is an artist, a scientist, or a leader, we are here to support their individual path to excellence. Let's make this year a collaborative triumph for our students, parents, and teachers alike.”

Vice Principal
